LASCA NEWS

A periodic report from the Los Angeles State and County Arboretum to the members of the California Arboretum Foundation, Inc. Arcadia, California

May 15, 1952

Dear Members:

The California Arboretum Foundation is planning the second annual benefit for the Los Angeles State & County Arboretum; a tour of Ranchos and Estates on Friday, Saturday, and Sunday, June 13 - 14 - 15, 1952.

The garden tour of 1951 was a success due to the cooperation and interest of all the garden clubs and organizations concerned. The pre-sale of tickets assured the financial success before the opening of the tour.

We know that the pre-sale of tickets and the assistance of members who give their services at the entrance of each garden will again assure success this year. Tickets may be secured either through the Arboretum or Mrs. William Shearer. It is our hope that you will attend the tour either as a group or individually.

This will be the first time since construction started, that the Arboretum will be opened (for these three days only) to the public. Lunch and refreshments will be available at the Arboretum.

Come enjoy the Ranchos and Estates so generously opened by the owners for your pleasure.

Very truly yours,

Novellia L. Shearer M. S.

Mrs. Wm. D. Shearer, Chairman
Garden Tour Committee

LASCA NEWS

A periodic report from the Los Angeles State and County Arboretum to the members of the California Arboretum Foundation, Inc. Arcadia, California

December 10, 1952

We are indeed sorry to announce the death of Mr. John Francis Douglas, diligent and devoted member of our Board of Trustees and Chairman of the Foundation's Finance Committee. A number of his friends have been very thoughtful in making contributions to the Arboretum in memory of Mr. Douglas' deep interest in the welfare of the Arboretum.

- -

A kind enthusiast of the Arboretum has prepared copies of a base map of the Arboretum grounds. A copy of this map is enclosed for your reference, showing the completed major road system.

- -

You will recall the Tour of Ranchos and Estates last June, sponsored by many of our member clubs under the guidance of Mrs. William D. Shearer. The proceeds of this benefit for the Arboretum have been placed in good use by purchasing equipment to prepare permanent plastic labels for the trees and shrubs on the Arboretum grounds. The actual work of preparing and placing these labels is well under way, so that on your next visit to the grounds you may expect to see the results of our labeling program.

- -

The Baldwin Casino restoration is rapidly progressing towards completion under the auspices of the Foundation's Historical Committee. The beautiful old marble fireplaces and original stained glass windows seem to make a dream of former splendor return to life.

- -

As we draw to the close of 1952 and look forward, the Arboretum staff wishes to join me in extending to all of our members and friends a very Merry Christmas and a Prosperous and Peaceful New Year.

Respectfully yours,

R. J. Seibert

Director
